If you already have a ticket to this week's home game and plan to attend:

Check to make sure that access to the game has been placed on your Action Card between 1 p.m. on Sunday and 4 p.m. on Wednesday by going to **mybama.ua.edu** or the **UA mobile app**.
2. You should see a balance of 1 for your upper-or-lower deck ticket assignment.
3. If you don't see a balance of 1, call 205-348-2288 during normal business hours as quickly as you can.

Remember:

2. While you are in **MyTickets**, follow the instructions to transfer a ticket to a specific student or donate it to the ticket bank.
3. If you transfer your ticket to another UA student, the transaction is pending on your account until the other student accepts or denies your transfer request or you cancel your transfer request. Only acceptance by the other student will transfer the ticket balance from your account. Both students will receive an email on any of the activity listed above. It is the responsibility of the student transferring the ticket to monitor the status of the transfer as the ticket balance remains on their account until accepted by the other student. You can cancel your pending transfer request at any time prior to the other party accepting the request.
4. The student who receives the transfer request can opt to accept or deny the request. If the student accepts the transfer request, the ticket balance will transfer and the student who receives the ticket must log in to his/her myBama account to confirm that his/her account has a balance of 1.
